## Wedding Videos

Beautifully presented  
memories on DVD

### ● Standard Package

2 HDV camera coverage.

3 hours filming time (per camera), = 6 hours of tape.

2 Locations.

This standard coverage is suited to most weddings allowing time to film the ceremony, and highlights of the reception.

The final product is beautifully presented on DVD, including the ceremony in full, the highlights of the reception, exclusive shots of the Bride and Groom and a 5 to 10 minute version of the entire day. The DVD is individually created for you with personalised motion menus & your choice of music.

● \$2500

### ● Other options

Ceremony only coverage, including 1 hour filming.

● \$1500

We can also cover larger weddings, and more locations if necessary on a more individual basis, with a general price of \$500 extra per hour of filming.

Of course, more specific requirements can be discussed.
